

New for 2014

We are in the process of writing all new Daily Devotionals for the upcoming New Year, 2014. The new Daily's will simply be called "Today" and will be much shorter, probably just one paragraph accompanied by a corresponding Bible verse.

We know many of you are very busy and receive these Daily's on an I-Phone, Notebook, or by e-mail. We hope these Devotionals continue to be an inspiration and help motivate you to go out and do your very best in 2014.

For those who have access to print only we will continue to send them as requested along with the Monthly Letters.

We, so often hurry and rush through days, that turn into weeks and then into years, but let's not be in such a hurry that we lose sight of the vision God has for our lives.

Let's continue to allow God do His work in our lives, trusting Him to mold and shape us into the persons He has created us to be. Then, and only then can we experience the supreme joy that can only come through serving God and fulfilling His vision for our lives.

Words cannot express our gratitude for all your support and encouragement. If you know anyone who needs to be shown God's love, please feel free to let us know, we would love to help.

\$\$\$ FINANCIAL FREEDOM \$\$\$

Definition of DEBT: What allows you to appear to be rich, even though you are not!

Here are some facts on how most Americans live.

1. 71% of people say that most of the stress in their home life, is due to financial problems.
2. Over 70% of all Americans live from paycheck-to-paycheck.
3. The average person has seven credit cards and most are at the max.
4. Financial debt is the main cause of divorce and depression.

Do any of you fit into this category? If you do, there is a way out.

The hole is never too deep to dig out of; if we make financial freedom the priority of our life it is definitely do-able. **Prosperity comes by focus not by afterthought.**

Are you willing to do whatever is necessary to eliminate debt and become financially free?

If you are, please write to us or visit our website for a free copy of **R.E.D.** (Rapidly Eliminate Debt) at no charge. We have tried it and trust us it works.

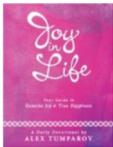

Joy In Life

I was saved in 1983, and I felt the presence of God in my life in a mighty way, but although I was saved, born again and filled with the Holy Ghost, I still had, and was going to encounter many issues that I needed to deal with. Alright I'm saved and forgiven, now what? I really did not have anyone to help me learn how I should live, what I should do, or to tell me about all of the benefits that I received at the time of my conversion.

Once I began to study and read God's word and fill my mind and heart with His thoughts I was determined to be a help and encouragement to anyone who wanted to know God's truths. I want you to know that I am always here to help, or to answer any questions that you might have, never be afraid to ask for help. In the meantime I encourage you to:

Spend time alone with God (**Pray**). There is no special way to pray, get in your favorite place and just talk to Him just like you talk to your best friend. (**Be yourself**) Don't be afraid to express any need or concern that you might have. (**Listen**) to Him; He will talk to you through the Spirit that now lives within you. (**Learn**) Get in God's word, the Bible; God reveals who He is through His word. (**Apply**) what you learn to your life, and when God tells you to do something, just do it, trust him and leave all of the rest to Him (**Obey & Trust**).

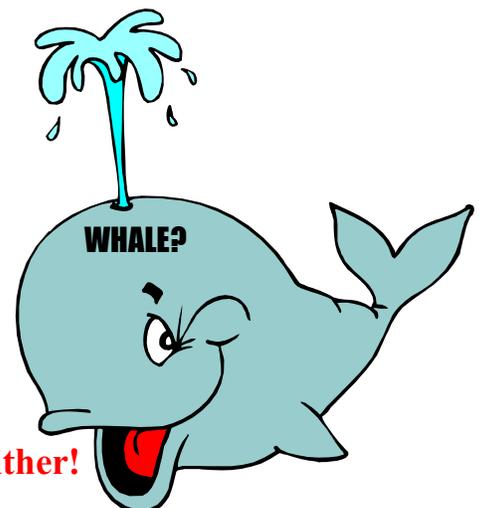

(**Believe**) that God loves you and wants the very best for you. Know that now that He has begun to work in your life, He promises to show you His purpose and plan for your life (**Have Faith**). (**Be happy**) there is nothing the Lord loves more than to see one of His children living a life free from anxiety, fear, doubt and unbelief. He wants you to have joy beyond measure and peace that can never be taken away (**Rejoice**). Fill your mind with the thoughts of God. In the meantime, enjoy the ride, there is nothing like being a Christian.
