

“I am a Christian and I will remain a Christian.” Miriam Ibrahim and her story made headlines when in May 2014 she was accused of apostasy and adultery in the Sudan apparently for converting from Islam to Christianity although she had been raised as a Christian. They then said she had committed adultery because she had a child with her husband because he was also a Christian. She was found guilty and sentenced to death by hanging on the apostasy charge and as if that wasn't enough a hundred lashes for adultery. She was given the opportunity to recant her Christian faith and denounce Jesus, that's when she said “I am a Christian and I will remain a Christian.”

This hatred of Christian and Jews did not start today; it has existed since Lucifer was cast out of Heaven with a third of his angels. It's pretty simple, you see “God hates evil, and the devil hates good.” Remember Mary and Joseph had to flee Egypt. John the Baptist was beheaded. Stephan was stoned to death for his beliefs.

The Apostle Paul was beheaded and the Apostle Peter was hung upside down and nailed on a cross. Thousands of Christians were thrown to the lions and most importantly, The Savior, the Son of God who was born a Jew was beaten and hung on The Cross. This jihad, Holy war, this anti-Christian, anti-semitic behavior has been going on for thousands of years, because God is Holy and anything opposed to Him is therefore un-holy.

Since the beginning of Christianity we have been under attack. Mocked, scourged, beaten, chained and imprisoned. Today Isis, Muslim extremists are on the rise with only one goal, and that is to eliminate the state of Israel and all Jews and Christians, it is called jihad a “Holy War.”

Despite all of the evidence we have before us, we have a President, who doesn't seem to care about the Christian cause, whose goal from the beginning was to fundamentally transform America. Well he certainly has, He inherited a Mercedes, (America the greatest nation in the history) and he has turned it into a Pinto, (a piece of junk with no power) and because of his policies, the Middle East burns and the murder of Christians by radical Muslims has become an everyday occurrence and their methods come straight from the pits of hell. (Jihad, Holy war)

In America this Holy war continues with more anti-Christian, anti-semitic oppression the likes I have not experience in my sixty-six years on earth. New Mexico – photographers sued for declining to photograph lesbians' “commitment ceremony.”... Florida – Teacher orders fifth grade student to stop reading the Bible during his free time.... Colonel's column is removed from the National Guard newsletter after violating military policy by referring to Jesus Christ and God.

Two Christian ministers in Idaho were told they either had to perform same-sex weddings, or face jail time and up to a \$1,000 fine.... In Virginia, five Christian men were threatened with arrest for sharing their faith on a public sidewalk.... A charter school in Temecula, California, is barring all Christian books from their library.... A pro-life nurse at a hospital in New York was forced to participate in late-term abortion, even though they agreed in writing to honor her religious convictions.... A bakery in Oregon was shut down when the owner declined to bake for a gay wedding.

Joy In Life

Abortion – 54 million unborn children have been killed since Roe vs. Wade in 1973. That's the population of Georgia, Virginia, Michigan, Nebraska, Nevada, Iowa, South Dakota, Rhode Island, Arizona, Oregon, Kansas, Vermont, Mississippi and Alaska. Fourteen states wiped out in 42 years and we are concerned about measles and peanut allergies. The bad news is we continue at a rate of 1.4 million abortions a year.

Think judgment is coming? When a nation rejects God nothing good can happen. We become self-centered, corrupted, insensitive, loving pleasure more than God. We love money and have become arrogant, conceited and proud, not defending what good but taking pleasure in embracing all that is evil. Total moral collapse will be the final result.

Despite knowing full well the consequences of our conduct we are moving (with our heads buried in the sand) towards a country we will not even recognize tomorrow. Sixty six percent of Americans think this country is headed in the wrong direction yet the vast majority is not willing to do anything about it.

Christians are now the “moral minority” and this does not bode well in any culture. Al Mohler has described that moral decay in a culture takes place in in three stages.

1. What was condemned is now celebrated.
2. What was celebrated is now condemned.
3. Those refusing to celebrate are condemned.

That is precisely where we are today. No rules, not moral absolutes, no restraints of any kind unless a Christian dares to question certain lifestyle choices. Maybe the end is near and we really are living in the last days, if that is the case, how are we as Christians to respond?

The way we have for centuries, willing to suffer rejection, criticism and loss, yes, even unto death for the cause of Christ. We are not to look back at what we have lost or may stand to lose but we must focus on what is yet to come, our Lord and Savior Jesus Christ. We must continue to combat evil and bring light into a dark world.

1 Peter 4:12-13 New King James Version (NKJV)

Suffering for God's Glory

¹² Beloved, do not think it strange concerning the fiery trial which is to try you, as though some strange thing happened to you; ¹³ but rejoice to the extent that you partake of Christ's sufferings, that when His glory is revealed, you may also be glad with exceeding joy.

The Holy war is on, evil is here, and Armageddon is coming! On February 15th 2015, 21 Coptic Christians, farm workers, poor men, who were looking for a way to support their families, were decapitated by radical Muslim extremists. Their last words were “Jesus, help me.” On February 24th two hundred or more Christians were kidnapped by ISIS in Syria.

The Jewish people need our help, Christians need our help, many Muslims need our help, and the world needs America.

Where are you Mr. President?
